## PROFILE

MIS graduate and HR Coordinator targeting Junior Data Analyst and ERP Analyst / Support roles. Built an Excel tracking system, reconciled employee records across GOSI and Qiwa, and created Power BI practice reports with training data. Independently initiated an internal ERP project. Developing SQL skills and bringing SAP end-user experience in SEC ID card processing.

## SKILLS

**Excel and reporting:** employee tracking, data management, KPI reporting, Power BI | **Systems:** workflow design, ERP project development, SAP (SEC ID end user) | **Learning:** SQL

## EXPERIENCE

**HR Coordinator** Sep 2026 - Present

Al-Othman Engineering Consultants (AOC) | Dhahran

- Use SAP as an end user for SEC ID issuance, renewals and returns, including employee follow-up and shipping.
- Manage employee processes through Muqeem, Ajeer, Qiwa and GOSI.
- Built an Excel tracker for employee records and document expiry dates; reconciled discrepancies between GOSI and Qiwa.

**Document Controller** Jul 2026 - Aug 2026

Al-Othman Engineering Consultants (AOC) | Dhahran

- Organized project documents and records for accurate retrieval and follow-up.
- Promoted to HR Coordinator after two months based on the quality of my work.

**HR Trainee** Jan 2025 - Jul 2025

Almoosa Specialist Hospital | Al Ahsa

- Supported employee records, experience certificates, attendance and leave documentation, and HR procedures.

## SELECTED PROJECTS

**Power BI practice reports:** Built employee and order/shipping reports with training data. The employee case study validates distinct IDs, compares departments and flags an incomplete record.

**Internal multi-company ERP:** Initiated the concept, designed workflows and led implementation, with coding assistance for selected parts. In development and demo use; source is private.

**Cinema booking website:** Designed the ERP and implemented seat display and double-booking checks in a team graduation project.

## EDUCATION AND LEARNING

**Bachelor of Management Information Systems** | King Faisal University | 2020-2025

Currently studying the Google Data Analytics Professional Certificate.
